Parents' Guide to the Curriculum

Year 3

Summer 2: Express Yourself! (First Impressions)

Notices For This Half Term

Monday 7th June: Children return to school.

Tuesday 20th July: School finishes.

Notices regarding any end of term events will be sent via text (subject to COVID restrictions)

How Parents Can Help

Please read with your children for 15 minutes each day and sign their reading journals

Support your children with completing home learning. Home learning will be set through Google Classroom.

Please make sure that children have the correct uniform and their house colour P.E tops every Tuesday and Thursday for PE lessons.

Brentfield Primary School
Children of Today Champions for Tomorrow

MATHEMATICS

- Children will continue to revise and apply their knowledge of addition, subtraction, multiplication and division.
- Children will learn to tell and write the time on an analogue clock. They will learn about Roman numerals and 12-hour and 24-hour times.
- Children will learn about measurement using mass and capacity.
- They will develop their knowledge of 2-D and 3-D shape, and angles.

COMPUTING

We are presenters

- Children will create a short video about a topic they have learnt, using appropriate software.
- They will continue to learn about how to keep themselves safe online.

ENGLISH

- Children will write about their Year 3 experience, to be included in the teachers' reports to parents.
- Children will read the poetry of Rachel Rooney from the book, 'A Kid in my Class.'
- They will write and perform poetry inspired by poems they have read.
- Inspired by the book 'Baby Aliens Got my Teacher', they will write character descriptions and a newspaper report.
- The children will continue to review key skills to develop their writing, including their handwriting.

SCIENCE

- Children will learn about animals, including humans. They will link this learning to their Art and DT.
- They will learn about the nutrition required by animals and humans.
- Children will identify that humans and some other animals have skeletons and muscles, and how this helps them move.

PHYSICAL DEVELOPMENT

- Children will focus on multi-sports.
- Children combine skills for throwing, catching, running and jumping.
- They will learn about decision making in sports, and about competition.
- They will continue with their daily mile.

TOPIC

- In Art, children will explore how animals are an inspiration for artists.
- They will design a collage to be created using felt, of an animal they are interested in.
- In DT, children will learn to stitch, and use this skill to attach a collage they have created to a T-shirt.

PSHE and RSE

- Children will explore Planet Physical
- They will learn about what it means to have a healthy, balanced lifestyle, and the importance of physical fitness.
- They will learn about dementia and memory.

RE

- Children will continue to learn about Judaism. They will consider how Jewish people express their belief in God.

SPANISH

- Children will learn about Spanish life and culture.
- They will revise what has been learnt throughout the year, and continue learning about colours and numbers.

MUSIC

- Children will learn to sing in parts and use percussion as part of an ensemble.
- They will continue to develop their recorder skills.
