

13th January 2025

Dear Families of Brentfield,

I would like to thank you all for your cooperation and support in keeping your children at home today, I understand how inconvenient it can be. Unfortunately, we had a burst pipe in the school over the weekend which has caused significant damage to our Year 1 and Reception classes. Year 2 classes have also been impacted but to a lesser extent.

My priority today has been to make the area safe, clean up and move Reception and Year 1 classes so we are able to get the children back into school.

The plan for the rest of the week is as follows:

Tuesday 14th January school will re- open for children in **Nursery, Green Class, Year 3, Year 4 and Pre-Secondary.**

Wednesday 15th January school will re-open for all children including **Reception, Year 1 and Emerald Class.**

Breakfast and Afterschool club will be available from Tuesday 14th January.

I would like to thank all the staff who have worked so hard today to ensure the school can open as quickly as possible. A special thank you to Ricky and his team for the work they have done in cleaning up.

Yours faithfully,

Nicola Harmer
Headteacher
