

WORKSHOP

Moving from Primary to secondary school (10-11) Year 5 for parents - ASC BOAT

Preparing for the transition can be a time of renewed anxiety about finding the right school that will meet your autistic young person's needs.

Supporting Transition to Secondary School

- Do you have questions regarding the next step in your child's education?
- Do you want to know what options are available?
- Would you like to meet other parents of autistic children going through this transition?
- Would you like to gain a greater insight into what you can be doing now to support this transition?
- Are you thinking about telling your child about their diagnosis?

This session will provide an opportunity to join Clare and Tahmina to support your thinking regarding options for secondary placements and how to support a smooth transition to your child's next school.

Hosted by: Clare Henshaw from BOAT and Tahmina Begum will join us from SEND 0-25 Team on Thursday 16th January: 10 - 11.30am and held virtually.
