Dear Families of Brentfield,

At Brentfield it is our vision that as a vibrant diverse community we put learning at the heart of everything we do. We nurture children to prepare them for the opportunities and challenges of an unknown, yet exciting future. We instil in the children a sense of belief to enable them to be creators of their own destiny.

To help prepare the children we have introduced a new wellbeing programme called iSpace Wellbeing. The programme supports children in their development of a healthy mind and body. It builds confidence so that the children are able to choices in a calm and informed way.

Please talk to your children about iSpace and visit the information stand during Parent's Evening.

### Parent's Evening

Parents Evening will take place on Monday 5<sup>th</sup> November. You should have received a letter explaining how to book an appointment. This year all appointments must be made online. If you have not been able to do this, then please visit the school office.

The meetings will take place in the halls. During the evening you will also be able to buy CPG books and talk to Natasha from Place2Be to discuss how Place2Be can support your child. She will be available from 3.40 -5.00.

### School Uniform

Some parents have raised concerns about the quality of the school uniform. We have discussed this with Rumbles and have also looked at an alternative supplier. The uniform outlet will be available during Parents Evening to show you the quality of uniform they can provide. We would welcome your feedback.

Go spotty for Children in Need

On the 16<sup>th</sup> November children can wear their own clothes and spots. Donations will be collected.

Last paper copy – email. Please make sure that the office has your email address.

Copies available in the school office

Thank you to Iman from the school nursing team to led a workshop for parents about healthy living. If you were unable to attend please visit
