Dear families of Brentfield,

I know that many of our families are currently fasting during the holy month of Ramadan, I would like to wish you all a peaceful and reflective period before Eid. We will be celebrating Eid by holding Eid parties on Friday 7<sup>th</sup> June.

### **IMPORTANT DATE CHANGE**

As we were closed for the European elections we have change the dates as follows. The children will return to school on **Monday 3<sup>rd</sup> June.**

**School will finish on Thursday 18<sup>th</sup> July**

Congratulations to all of year 6 who have worked so hard this year and completed their SATS tests last week. All the children came into school ready to do their best and complete the papers. I would like to thank all the Year 6 staff for ensuring that the children were prepared and confident. I would also like to thank parents who have worked in partnership with the school, supporting their children in completing home learning, attending booster classes and allowing the children to arrive early for the SATS breakfast. Well done Year 6 I am very proud of you!

Year 2 children and staff will continue with SATS this week.

On Friday 17<sup>th</sup> May we were delighted to welcome head teachers and teachers from all over Brent to showcase how we are supporting children's wellbeing and mental health in school.

This month in Wellbeing lessons, children have been learning about planet Heads Up. They have discussed ways to help themselves feel better even when they are worried about something. The acronym P.L.A.C.E helps us to remember what we should do if we are not feeling very positive:

**P** - pop unimportant thoughts or niggles

**L** - let go e.g. of things we can do nothing about and may never happen.

**A** - Accept challenges (like SATS)

**C** - Calm and control our thoughts (breathing helps).

**E** - Enjoy all positive thoughts.

It doesn't just help children - it helps us all!

On Thursday 9<sup>th</sup> May 2019, Brentfield attended the Year 5 Football and Rugby festival at Queens Park Rangers Stadium.

The trip was all about learning through games; we played 3 football matches and 3 rugby matches. Throughout the matches the teachers and referees were giving out Magic Academy Challenge Cards. These cards had different challenges that the children had to complete throughout the game. It was a very interesting to see how the children responded towards the challenges, showing resilience and not giving up until they had successfully completed each challenge. Great teamwork Year 5!
