Our new library is now open. We have new books for your child to read. The library will be open on Mondays & Thursdays between 3.15 -3.45. No buggies, food or drink will be allowed.

### Holidays, doctors or dentist visits

Please remember that you are not allowed to take holidays during term time. Such action could result in receipt of a fixed term penalty notice. Please make appointments for children's visits to the doctor or dentist outside school hours.

### Coffee Mornings

There are a variety of coffee mornings for parents taking place throughout the term, all of which are listed on the left. I would encourage you to join us. They start at 9am and give you information about what your child is learning. It is a great way to meet both staff and other parents whilst enjoying a biscuit and a coffee!

### Brentfield Primary needs you!

We are looking for Parent governors to join our main Governing Board. Meetings take place about 6 times a year at the school in the evening, for a couple of hours.

Governors are essential to promote the growth and standards of the school in supporting the Head's strategy and drive towards an effective and excellent school. They help set the aims, policies and targets for the school, evaluate such progress, and help guide and support the Head in the running of the school. If you feel that you could volunteer to help promote Brentfield in the role of a Parent Governor, or if you would like to know more please contact me or **attend the coffee morning on Tuesday 14th January at 9am.**
