ISSUE 3
2020

Wednesday 23rd September

Social distancing: what you need to do

Dear Families of Brentfield,

I would like to remind parents that once your child has been dismissed at the end of the day, it is your responsibility to look after them. Unfortunately some parents are letting their children run around residents cars unsupervised and throw rubbish in our local area. This has led to damaged cars and a broken window which has cost £400 to repair.

If a local resident contacts the Police about the damage and the school is contacted, CCTV footage will be given to the Police for them to investigate.

Brentfield is a community school and very much part of the local community. It saddens me that the actions of a few are impacting negatively on our schools reputation.

Now the children have settled into new routines they are leaving the school quicker at the end of the day.

FROM MONDAY 28TH SEPTEMBER **THE END OF DAY TIMES WILL BE AS FOLLOWS**

YEARS	FINISH TIME
Nursery/Reception	3:00 pm
1, 2 & 3	3:05 pm
4,5 & 6	3:15 pm

Thank you to everyone who is wearing a mask and social distancing. However, not everyone is following these rules, many parents are still talking in groups bigger than 6. We hear on the news that the rate of infection is increasing. Please protect yourself and others in our community. Children who have now moved into Secondary school should not wait with adults to collect children from Brentfield. Whilst the rate of infection is low in Primary aged children this risk increases with children 11 and older.
