Parents' Guide to the Curriculum

Year 1
Summer 2: Express Yourself (It's My Favourite)

Notices For This Half Term

Monday 7th June: Children return to school.

Tuesday 20th July: School finishes.
Notices regarding any end of term events will be sent via text (subject to COVID restrictions)

How Parents Can Help

Please support your child with completing their home learning, spellings, number bonds and read with them every day.

Please write a comment in your child's reading record.

Please remember to access the Home Learning via Google Classroom, Education City and NumBots.

Children need to wear the correct PE kit to school on their PE days which are Wednesday and Friday.

Brentfield Primary School
Children of Today Champions for Tomorrow

MATHEMATICS

- The children will be introduced to fractions by exploring half of objects, shapes and quantities.
- They will develop their knowledge of number and place value within 100.
- Children will explore and solve simple time problems (quicker, slower, earlier, later).

COMPUTING

We are Painters

- The children will use technology to create, manipulate and retrieve digital content.
- They will learn about uses of information technology beyond school.

MUSIC

- Children will use their voices to sing songs and speak chants and rhymes.
- They will develop their concentration by listening to recorded and live music.
- They will experiment with, create, select and combine sounds.

RE

- Children will learn about how to care for our world. They will think about why it is important to care for our world and what happens if we do not do this.

ENGLISH

- Children will be learn about poetry and focus on the poem 'The Magic Box'.
- They will be writing postcards based on the story 'The Day the Crayons Came Home'.
- They will write an autobiography through the theme 'Express Yourself'.
- Reading & Phonics: The children will continue daily phonics sessions and reinforce their reading skills through Daily Support Reading.
- Spelling: Year 1 will learn how to read, write and spell high frequency words.

PHYSICAL EDUCATION

- The children will learn about Multi Sports.
- They will master movements including running, jumping, throwing and catching, as well as develop their balance.
- They will participate in team games.

TOPIC

- In Art the children will learn about the artist Sonia Delaunay. They will use a range of fabric to design and make products.
- In Design and Technology, they will design and build a Treasure Box inspired by the poem 'The Magic Box'.

SCIENCE

- The children will revisit and consolidate their knowledge of Animals including Humans by naming and grouping animals by their characteristics.
- They will continue to explore the seasonal changes.

PSHE and RSE

- Through iSpace, the children will read 'What Sid Did' which will help them to understand the importance of telling the truth.
- They will continue to learn about health and hygiene.
- Understand what 'bad' secrets are.
- Preparing to move to Year 2.
