Hosted by Brent Parent Carer Forum

You are invited to join us as we launch Brent SEND Strategy 2021-25 and Preparing for Adulthood Website.

Brent Children’s Trust Partnership Board has developed a vision for children with SEND, co-created by parents, carers and those who work with them across the partnership. It is:

“To ensure that all children and their families have the fullest possible range of support and opportunities available to them in order to improve their life chances and realise their aspirations.”

This new Strategic have been shaped into a clear set of actions co-produced with young advisors, parents and carers (via the Brent Parent Carer Forum), and the Children’s Trust.

Through these commitments we will offer opportunities for children and young people with SEND to live, learn, and work with others of all abilities in an atmosphere of mutual care and respect.

Please respond to the Eventbrite invitation if you wish to come.
