

Our Playground Charter

We want our playground to be a happy and joyful place to share with our friends so we promise to...

- I. Take turns with the equipment and to not snatch or break it.
- II. Include others in our games and activities. No one should be left out.
- III. Play safely, creatively and fairly with the equipment, treating it and others with respect
- IV. Tidy up quickly and carefully, and put everything back in the right place.
- V. Keep the equipment in school.
