Half Term: Monday 30th May 2022 – Friday 3rd June 2022

How Parents Can Help

Ensure that your child has a healthy breakfast each morning to prepare them for the day.

Make sure your child reads daily for 1 hour and sign their reading record daily.

Help your child learn their spelling list.

Encourage your child to complete all remote learning set on Google Classroom.

Children must wear the correct PE kit to school on PE days which are Mondays and Wednesdays.

MATHS

- Children will be looking at statistics including reading and interpreting graphs and charts. They will also be drawing their own line graphs and pie charts. Children will also be looking at Geometry and the Mean.

COMPUTING

- Children will develop interactive games using Python and Scratch.
- They will use the software to create and publish content that accomplishes a set of goals.
- They will debug errors in their programmes.

MUSIC

- Children will be preparing to prepare for a whole class performance.
- They will bring together everything they have learnt and use ukuleles, recorders, drums, percussion and instruments learnt outside the classroom to create a whole class performance piece.

RE

- Children will continue to learn about People of Faith.
- They will investigate what faith means to themselves and others.
- They will learn about faith leaders and how their faith has encouraged them to seek change.

ENGLISH

- Children will read The Iron Woman.
- They will write letters and campaign leaflets linked to the issue of climate change and environmental damage and the impact that it has on communities.
- They will also read the Jabberwocky and write their own narrative poems.

PHYSICAL DEVELOPMENT

- This term children will be focusing on athletics.
- They will be learning to triple jump.
- They will also be learning about field sports such as javelin, discus and shot put.

TOPIC

- In History, children will learn about the Viking and Anglo Saxon struggle for England.
- They will learn about what makes the Vikings significant to British history. They will organise information about significant Viking artefacts and explain what they tell us about this era.
- In Geography they will be looking at Reefs and Atolls. They will be looking at the causes, effects and impact of climate change.

SCIENCE

- This term children will be learning about Animals including humans.
- They will describe how they are classified and give reasons for classifying plants and animals based on specific characteristics.

PSHE and RSE

- Children will be looking at Planet Heads-Up.
- They will understand that different jobs have different salaries and what value for money means as part of money week.
- They will also consider physical and emotional behaviour in relationships.

SPANISH

- Children will be learning about special occasions.
