

ANIMALS INCLUDING HUMANS

Knowledge Organiser

Year 1, Autumn: Animals including Humans
Science Strand: Biology

Key Vocabulary

beak

fin

claw

feathers

fur

hooves

scales

paws

wing

What will I know about animals including humans by the end of this topic?

- Identify and name a variety of common animals (fish, amphibians, reptiles, birds and mammals).
- Animals eat different things – some eat other animals, some eat plants and some eat plants and animals.
- Identify and name carnivores, omnivores and herbivores.
- Describe and compare the structure of some common animals.
- Identify, name, draw and label the basic parts of the human body.
- Say which part of the body is associated with each sense.
