What will I know about health and wellbeing by the end of this topic?

- To explain how to keep safe online and at home
- To identify people and places who make me feel safe
- To understand the difference between wants and needs

We should be careful at home so that we do not have an accident

Tell someone you trust if someone is being mean or asking personal questions online.

Do not share personal information and follow the rules for keeping safe online.

ZIP IT

Keep your personal stuff private and think about what you say and do online.

BLOCK IT

Block people who send nasty messages and don't open unknown links and attachments.

FLAG IT

Flag up with someone you trust if anything upsets you or if someone asks to meet you offline.

School and home are safe places.

We have trusted adults who look after us and make us feel safe.

It is important for our needs to be met. However, sometimes we do not always get what we want.
