Dear Parent Carer

We are always looking at ways to reach out to parent Carers to have a better understanding of their actual lived experiences – which isn't just about education and allows us to let Cllrs and professionals making decisions to have a better understanding of your lived experience as a whole family.

We are looking for up to 8 parent carers /families who would be willing to capture their lived experiences in a week using video diaries / photos /questionnaires etc.

We will put together your week in words / pictures and videos to show and use as discussion points at a celebration event where we will invite key Cllrs and senior managers to hear your real-life stories.

We will support you by asking you to attend a briefing session prior to the capture week followed by a session with you to share ending in an event to celebrate parent carers.

All parents who will be part of this week will receive food vouchers to thank them for their time and input

If you are interested, please click on the link below and complete the form which will also provide more information about this activity.
