Dear Parents/Guardians/Carers,

All schools are required by law to provide a daily act of collective worship for all pupils. This should be 'wholly or mainly of a broadly Christian character' unless a school has what is referred to as a 'determination'. In Brent this means that schools then have the choice of following a multi-faith approach recommended by the Brent Standing Advisory Council on Religious Education (SACRE) or following an approach devised by the school.

At this school we aim to provide collective worship that can include the whole school community, pupil and adults and we do not promote any particular faith. Collective worship contributes to pupils' spiritual and moral development and can help to develop the values shared by the whole school community.

Brent SACRE previously agreed a determination for our school, which allowed Brentfield to follow the Brent SACRE's multi-faith approach to collective worship. The school governors have decided that it would be suitable for our school to continue this and that in order to do so, a renewal application should be made by the school. Before we apply to Brent SACRE for a renewal of our determination, we would like to seek your views. If you **do not** agree with our decision, please click the link below

If we do not hear from you we will assume that you agree with the decision of the school's Governing Board.

Yours sincerely,

N. Harmer
