# $D$ Brentfield Primary School <br> Children of Today, Champions for Tomorrow <br> Year 2 Maths <br> Parent Workshop <br> <br> Spring 2024 

 <br> <br> Spring 2024}

## In Maths, the children learn

 to- Count to 100
- Recognise the place value
- Number bonds within 10.
o Add and subtract within 100 using place value.
- Multiplication as groups of
- Division as grouping and sharing

Addition

No regrouping

$$
\begin{gathered}
25+13= \\
\begin{array}{|c|c|}
\hline T & 0 \\
\hline 1 & \because \\
3 & 8
\end{array}
\end{gathered}
$$

With regrouping

$$
\begin{aligned}
& 19+35= \\
& \begin{array}{|c|c|}
\hline 1 & 0 \\
1111 & \ddot{3} \\
\hline 1
\end{array}
\end{aligned}
$$

Subtraction

No regrouping With regrouping

$$
\begin{aligned}
& 24-12= \\
& 31-15= \\
& \begin{array}{l|l|}
\hline 1 & \circ \\
\hline 14 & \ddot{O} \\
\hline & 2
\end{array} \\
& \begin{array}{|l|l|}
\hline \text { IIt } & \text { iini" } \\
\hline
\end{array}
\end{aligned}
$$

1. Represent both numbers.
2. Exchange ones for tens. 10 ores $=1 \mathrm{tm}$
3. Then add the $T$ to the

Subtraction

$$
43-15=28
$$

III

1. Represent the whole.
2. Subtract the ones first. Exchange if needed. 1 ten = 10 mes
3. Then subtract the tens. (43)

## Multiplication and division

$$
\left(\begin{array}{l}
2+2+2+2=8 \\
4 \times 2=8 \\
8 \div 4=2
\end{array}\right.
$$

# THANK YOU for joining us! 

If you have any questions, please do not hesitate to ask us.
