Monday 27th May 2024 – Friday 31st May 2024

How Parents Can Help

Ensure children have a healthy breakfast each morning to prepare them for the day.

Make sure your child reads daily for 30 minutes. Help your child learn their spelling list. Encourage your child to complete all homework set.

Ensure children are revising everyday

Maths

- Children will continue to develop arithmetic and reasoning skills
- Children will be looking at geometry and exploring the properties of different 2D and 3D shapes.
- This term will also include consolidation and revision of previous units in preparation for the SATs. Please ensure children are confident with their timetables, factors and multiples

Computing

- Children will be exploring Coding and Quizzing.
- Children will create a simple game using coding
- Children will use forms to create a quiz

Music

- Children will look at their own identity through music through the unit Music and Me
- Children will look at artists such as Anna Meredith

Religion

- The children will continue with their learning of Christianity through the messages of Jesus
- They will learn about the importance of the Disciples messages and their influence to the New Testament

English

- Children will read 'Goodnight Mister Tom' as this terms unit
- Pupils re-tell the story from the perspective of Mr Tom when he is introduced to William for the first time.
- Pupils will immerse themselves during the World War 2 era to see what life was like as an evacuee
- Children will be learning to build stamina within their writing as well as making their writing cohesive and structured by using their publishing and editing skills

Physical Development

- This term children will be focusing on Athletics
- Children will be exploring the Olympics and Paralympics in the run up to the Paris Olympics and Paralympics 2024

History

- Children will deepen their understanding of Arabia and Early Islam– connections to Byzantine
- They will explore the story of Prophet Muhammad

Science

- This term children will be looking at Living things and their habitats
- Children will focus on classification System and Carl Linnaeus

SATS PREPARATION:

As we are coming closer to the SATs, Year 6 children will continue to revise and consolidate learning in order to build confidence before the real exams come.

We will continue with weekly examinations, challenge week and Boosters

Please note, Children are expected to continue this revision at home **everyday.**
