The AllChild Program

Dear Parents/Carers,

We are delighted to offer your child the opportunity to work with AllChild, an organisation that provides personalised support programmes for children in our school. They work with small groups of students to help them build their social, emotional, and academic skills.

Your child will work directly with a 'Link Worker'. Our Link Worker, Seema Ahmed, will work with you and the class teachers to design and deliver a unique plan for your child, and will ensure you are involved in the process and kept updated on your child's progress. The plan for your child may involve some 1:1 or group work with Miss Seema to help them reach their goals.

AllChild also works with a range of partner organisations, which provide additional opportunities in a variety of areas. Miss Seema will discuss the programmes on offer with you to ensure that your child gets access to the opportunities that will benefit them most.

Miss Seema will be in touch with you to tell you more about the AllChild programme. Please feel free to speak with me at the beginning or the end of the school day at the Early Years entrance if you have any questions beforehand.

We hope you and your child will join us in this incredible journey of learning and development!

Best wishes,

Ms Rawat
