

3rd June 2024

Dear Parents and Carers,

We are delighted that you have chosen Brentfield Primary School and are looking forward to welcoming your child in September. In preparation for this, we would like to invite you to attend our Induction Meeting for Parents. The meeting will take place on Thursday 13th June 2024 at 9am.

Starting school is an exciting time for your child, but it can be quite daunting for adults. Our induction meeting is designed to ensure that we share all aspects of life in the early years at Brentfield and answer any questions that you may have about the setting and your child's learning.

It is essential that you attend this meeting.

During the induction, you will receive information about:

- Teaching and Learning in the Foundation Stage,
- Meeting your child's class teacher and the team of adults that will be working with your child,
- Your child's start date in September.

You will also have the opportunity to see our Early Years in action.

We look forward to seeing you on the 13th June at 9am

Yours sincerely,

Ms Harmer
Headteacher
