Thursday 11th July 2024

### End of Term

Friday 19th July 2024 at 1:15pm

### CHILDREN RETURN

Tuesday 3rd September 2024

## How Parents Can Help

Home learning is due on **Mondays**.

It will now be set through [Microsoft TEAMS](#).

Please support your child with completing their home learning: spelling, **number bonds** and reading with them daily.

Please also **write a comment in your child's reading record**.

**PE Days:** Tuesday and Friday

## MATHEMATICS

- The children will be introduced to coins and notes.
- Children will learn how to tell the time to the hour and half past. They will explore and solve simple time problems (quicker, slower, earlier, later).
- They will explore position and direction.

## COMPUTING

Maze Explorer

- The children will use learn how to create and debug a set of instructions (algorithm).
- Spreadsheets
- They will explore what a spreadsheet program looks like and use tools to input data into cells.

## MUSIC

- The children will consolidate the learning that has taken place across the year by revisiting songs and musical activities.
- They will listen to and appraise classical music and use their voices to sing songs and speak chants and rhymes.

## RE

- Children will learn about how to care for our world. They will think about why it is important to care for our world and what happens if we do not do this.

## ENGLISH

- The focus stories will be 'Where the Wild Things Are' and 'Last stop on market street'. The children will be writing a character description and a simple narrative using the story language.

## PHYSICAL EDUCATION

- The children will learn about Multi Sports.
- They will master movements including running, jumping, throwing and catching, as well as develop their balance.
- They will participate in team games in preparation for Sport's Day.

## TOPIC

- In Art the children will learn about the artist Sonia Delaunay. They will use a range of fabric to design and make products.
- In Design and Technology, they will design and build a Treasure Box inspired by the poem 'The Magic Box'.

## SCIENCE

- The children will revisit and consolidate their knowledge of animals.
- They will continue to explore the seasonal changes.

## PSHE

- Through iSpace, the children will read 'What Sid Did' which will help them to understand the importance of telling the truth.
- They will learn about how they have grown and changed since birth.
- They will talk about their transition to Year 2.
