## How Parents Can Help

Encourage your child to complete all their home learning Please help your child to learn their weekly spelling words and times tables. Listen to your child read and comment in their reading records daily.

PE Days: Wednesday and Friday

Library day – Every two weeks on a Tuesday

## MATHEMATICS

- In Maths, children will be learning to identify, describe and compare different angles.
- They will use their knowledge of angles to describe the features of 2D and 3D shapes.
- Children will compare and contrast shapes.
- Children will learn how to interpret, analyse and create different charts.

## COMPUTING

- In computing the children will be looking at how to use search engines effectively to find specific information and answer questions.
- The children will also learn about Artificial Intelligence and be able to give examples of what it is, where it is used and what our daily lives in the future might be like with AI in it.

## MUSIC

- Children will continue to develop listening and singing skills, including improvisation and performance.
- Children will learn Stop! , a rap which will help them to create their own versions of it.
- They will continue to practise playing the recorder and glockenspiels.

## RE

- The children will be learning about Islam and the rituals associated with fasting during the month of Ramadan. They will learn how the breaking of a Muslim's fast each day can bring families and communities together and helps strengthen their faith.

## ENGLISH

- The children will be reading a fiction book Called The Boy in a Dress by David Walliams
- We will talk about stereotyping and how to avoid it
- They will write their own magazine article
- The children will complete a character synopsis.

## PHYSICAL DEVELOPMENT: Gymnastics and Fitness
