

International Day

2nd July 2024

Dear Parents and Carers,

On **Friday 5th July 2024 from 3:00pm – 5.00pm**, we will be celebrating our similarities and differences by hosting an International Day. We will come together as a community to share performances and food from our countries of origin.

We would like to invite all parents/carers to join us for this fun filled event.

Children are encouraged to come to school on Friday 5th July in traditional dress or in the colours from their country of origin. We are asking for a £1 donation to enable your child to come into school in non-uniform. We are asking all students to bring in the right money as we will be unable to issue change. Their donation should be handed in to their class teacher.

There will also be a teaching focus in lessons, with individual classes learning about a particular country, their culture and food. Some classes will be performing a dance or a song at the event so please come along to support their performances.

If you wish, parents are also welcome to dress up for the event and we invite you to make dishes from your home countries that can be shared with the school community as part of our buffet table.

Please complete the slip below if you will be **making food to share**. We need to know the dish that you will be making and the key ingredients so that we can share dietary information on the day. If you are making a dish to share, this will need to **be brought to the main office by 8.30am or 2:00pm on Friday 5th July**.

If you have any questions, please see Ms Mohamed.

We look forward to seeing you there!

Yours sincerely,

The International Day Organising Team.
